

### **Part-time Tennis Coach**

Legacy's mission is to prepare young people, especially those from under-resources families and communities, for success as individuals and as active, responsible citizens through innovative tennis, education, life skills and leadership development programming. Our programs bring together tennis, fitness, nutrition, performance, character development and family engagement. Ultimately, Legacy provides opportunities for each individual to change their life trajectory through involvement in programs; building relationships with our outstanding coaches and mentors; and developing a purposeful identity of oneself and for one's future.

Preference will be given to candidates with a bachelor's degree.
