

DR. VALVERDE

World-Renowned Mental Conditioning Coach

Dr. Jorge Valverde will be visiting our center on October 16 & 17. He will be donating his time and expertise to help our players on and off the court! Dr. Valverde has a Masters in Psychology from the University of Kansas and did his doctoral dissertation research on the mental preparation of highly-ranked tennis players at the University of Kansas.

For more information on Dr. Valverde or set up a one-on-one private lesson with him please contact our Director of Tennis, Sanjin Kunovac at skunovac@legacyyte.org.

We will start each 30-45 minute session 15 minutes prior to the end of clinic and invite both players and parents to attend. Sessions are open to all players whether or not it's your specific clinic time or day.
