Dear LEGACY Supporter,

Thanks to you, thousands of kids in Philadelphia, Chester and Camden communities can experience LEGACY's tennis, education, and character programming each year. On behalf of them, we would like to thank you for helping to provide this invaluable experience.

Through our #LOVE-ALL Campaign, Legacy is raising funds in the final days of the year to support our youth programs. Your gift will help Legacy Youth Tennis and Education introduce young students to the game of tennis, give scholarships to deserving players, provide the opportunity to succeed in school and life, and contribute toward community, local and national tournament play experiences.

Support from our community members such as yourself, helps LEGACY serve students both at our flagship LEGACY Center and in our neighborhood programs throughout Philadelphia, Chester, and Camden. Please consider an end of year gift to help us continue to prepare youth for success! Please complete the back of this form to pay by credit card or check. To make an online donation please visit, <https://donate.legacyte.org/loveall>.

Without donors such as yourself, LEGACY would not be where it is today. We are incredibly grateful for your participation and we hope you will support our organization and LEGACY Kids once again.

With gratitude,

Ron Nano
